WEDNESDAY MORNING, AUG. 15.

AMERICAN PARTY.

AMERICANS, PICK YOUR FLINTS!

A GRAND MASS MEETING OF THE
PARTY OF DIVISION AND SEPARATION, will be held at
the COLLEGE HOUSE in the City on SATURDAY, the 20th inst.
at 10 o'clock. All distinguished Speakers from abroad,
as well as from home, are expected to be present.
Let the American party, especially, turn out as usual.

THE WEATHER.—Yesterday was one of the
warmest days of the season—scooping hot.
Pedestrians took to umbrellas with remark-
able unanimity, and loungers sought the shady
corners to a man. It was most distressing
hot.

RIVEN NEWS.—The Cumberland was reced-
ing at this point, but rising above yesterday,
and is doubtless swelling here this morning.

The R. L. Cobb, from Louisville, arrived
yesterday. We are indebted to her obliging
clerks, Messrs. RICHMOND and YEATMAN, for
a copy of her manifest and other river favors.
The Cobb left last evening upstream for a load
of tobacco. She will return to-day or to-
morrow. We copy her memoranda:

Left Louisville on Friday at 10 o'clock; arrived
at Smithland on Saturday evening, and discharged
a large lot of Memphis and New Orleans freight;
left Smithland on Sunday at 10 A. M.; met Cobb
at Camp Rowley some night; passed Actonville
at the mouth of Wild Cat, with large in tow, met
Aida at Yellow Creek.

The Jack City came down from Dickinson's
Creek yesterday with 142 hds tobacco. We
were agreeably surprised to find our old friend
Capt. John Thunor in command, as good as
new after his "blow up" on the Lexington.

The Jack City passed down to Paducah last
evening.

The Empire was expected last evening, and
is advertised to leave this morning.

There are full six feet water on Harpeth
Shoals—enough for all the boats, but unfortu-
nately there is nothing for them to do.

SUMMARY OF COTTON.—According to the New Or-
leans Price Current of Aug. 4, the total receipt
of cotton at all the ports since Sept. 1, 1854, amount-
ed to 2,755,484 bales, valued at \$249,690 to same date
last year; a decrease of 94,176 bales. Total ex-
ports to foreign ports 2,156,414 against 2,139,092
to same date last year; decrease this year, 44,388
bales. Total exports to Northern ports \$20,108
against \$25,408 to same date last year; decrease
this year \$5300 bales. Stock on hand and on ship-
board at all the ports 174,879 against 182,644 at
same date last year; decrease this year 7,665 bales.

MINER AND MANUFACTURER'S BANK—AN-
OTHER DEAD FAIL.—Intelligence reached here
yesterday that the Miner and Manufacturer's
Bank of Tennessee, located at Knoxville, had
broken all to pieces. This Bank was chartered
at the last session of the Legislature, and
has been in operation only six or eight months.
We do not know to what extent its notes are
in circulation, though we presume there is a
considerable amount out.

Upon an examination of our account with
our vest pocket we find ourselves in for it for a
\$10. No. 1445, signed Jos. L. King, President,
and Jas. L. McClung, Cashier. We will sell
our cheap.

SOUTH NASHVILLE MANUFACTURING COM-
PANY.—We notice a lot of new machinery for
this establishment received on the R. L. Cobb.
Messrs. Nance & Groome, proprietors, are
going on with the erection of their buildings
on Guthrie street, and will speedily be at
work.

PAY YOUR TAXES.—This is the last day of
grace allowed by law, and the Collector is re-
quired to proceed with his collections accord-
ing to law hereafter. Tax-payers will, there-
fore, see the necessity of "forking." The Col-
lector has issued over one hundred receipts for
taxes this week already.

SUPPER FOR THE AMERICAN GUARDS.—The
committee of Ladies appointed to make ar-
rangements for the Supper to be given to the
American Guards, met yesterday evening at
Odd Fellows' Hall. Unfortunately circum-
stances prevented some of the committee from
attending, and the meeting was adjourned un-
til to-morrow (Thursday) evening, when a full
attendance is expected.

ison, Cherokee and Blount give Winston, the

KENTUCKY ELECTIONS.—The Louisville Jour-
nal of Monday morning says:

We have full additional returns. The majority
for Mr. Campbell in the second district was 1,500,
and for Mr. Underwood in the third district, 700.
Talbot (anti) in the fourth district is elected by about
50 majority.

NEW YORK, Aug. 11.

The excitement in regard to the riot in Louisville
continues, and will probably terminate in a public
meeting of the New York Knottings to give a
public expression of the order in relation to the
affair.
